GIVE FRIENDS SLIP.

Completely surprising their friends and catching them off their guard Mortz Kumpe, of this place, and Miss Hazel Chambers, of Perrysburg, marched down the aisle at the M. E. church last Sunday evening at the close of the regular services, and Pastor E. D. Smith tied the nuptial knot.

It had been understood that they would wed later in the week, and friends had planned to give them a send-off, but this little trick of taking snap judgment outwitted the crowd and prevented confusion at the church, though some one did slip out and obtain a quantity of oats and wheat in the absence of rice, and the minister swept up enough grain from the church floor to furnish feed for his poultry for some time.—Maumee Advance-Era.

DOUBLE DROWNING

At Walbridge Park Last Thursday Afternoon.

A tragedy which caused general sorrow in the town of Bowling Green was that which occurred shortly after six o'clock last Thursday afternoon, at Walbridge Park in Toledo, when the careening of a sailboat caused young Clarence Renshler of Findlay, and Miss Bess Royce of Bowling Green to slip into the waters of the Maumee. As Renshler started to swim, the frightened young girl grasped him about the neck and the two sank like stones. Their bodies were not recovered until early Friday morning.

The funeral for the Royce girl was held Sunday afternoon and it was one of the largest in the history of the county seat. Her father, A. E. Royce, is the president of the Commercial Bank & Savings Co. and head of the Royce & Coon Grain Co., and the family is widely known throughout the county. Miss Royce was past sixteen years of age, prominent in high school circles and in the young social set.

Renshler was seventeen, the son of a wealthy funeral director at Findlay. With him in the boat at the time were his sister, Miss Nellie Renshler and a young man by the name of Harry Gould, whose home is in Toledo.

A King Who Left Home

set the world to talking, but Paul Mathulka, of Buffalo, N. Y., says he always KEEPS AT HOME the King of all Laxatives—Dr. King's New Life Pills—and that they're a blessing to all his family. Cure constipation, headache, indigestion, dyspepsia. Only 25c at C. P. Champney's.

LOST HIS DOG.

A Michigan man lost his dog, and this is the way the newspaper man let the fact be known: Henry Mitchell lost his dog and don't know where to find him. He wore two ticks upon his neck, and a short stub tail behind him. The dog is long and narrow built with spots of black and white, and if he sees a small dog he always wants to fight. He holds his tail up stiff and straight when he's for war prepared, but "ints it downward to the ground whenever he is scared. The stump tail dog that now is lost, was Henry's friend and crony, but now, alas, he sadly fears, he is now made up in bologna."

FARMERS' PICNIC.

Bradner, Ohio, July 17th, 1911.
To the Business Men of Perrysburg, Perrysburg, Ohio.

Gentlemen:—
By request of the Bradner Commercial Club, I extend to all the Business Men of Perrysburg, a special invitation to attend the Farmers' Picnic and Ox Roast to be given in Shepler's Grove, a short distance north of Bradner along the T. F. & F. car line, by the Bradner Commercial Club.

Each and every business man, as well as, citizens of Bradner are putting forth every effort to make this the greatest event in the history of Bradner. We would like to have you people meet with us, so we can enjoy a social day together. Get up a large delegation or come single, just as you wish, but come.

Accused of Stealing.

E. E. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at C. P. Champney's.

MANY COSTLY ERRORS

And Williams Losing Control Lost to Metamora Sunday.

Before one of the largest crowds that ever attended an amateur ball game here, Perrysburg lost to Metamora, Sunday, in a slow and uninteresting game, by the score of 13 to 10.

In the initial inning Perrysburg took the lead, getting two men across the plate, and again in the second, securing three times. This looked good for a safe lead throughout the entire game, and it would have been, had not some one cut the stay ropes that held Williams in the box, in the fourth inning, and allowed him to float skyward. When the smoke had cleared away the visitors had amassed six scores, which gave them the lead, which was kept throughout the game.

The out-field of both teams played good ball, not an error being marked against them, but the in-fielders were very poorly played at various stages of the game, errors of the ranker kind being made, when errors meant scores for the other team.

The work of Z. Harper, as umpire, was considerably off color at times, though not enough to merit the dissection that was made against it by the visitors. It was not near so unfair as that which Perrysburg received at Metamora some time ago, that was all one sided, while each team shared alike Sunday.

The attendance Sunday was the best ever. The management of the Metamora team, having arranged an excursion to this place, fully 200 people took advantage of the low rate of fare and came to our beautiful city on the Maumee.

Metamora had their band of fifteen pieces under the management of C. W. Wise, and rendered some very pretty selections before and after the game. The band boys made a very neat appearance.

The Perrysburg fans responded to the attraction and made up equally another 200, making a total attendance of nearly 400, paid and unpaid. It was a hard game to lose, especially in front of so many Metamora people. It would have been won, too, but for the ineffectiveness of Williams in the fatal fourth, but pshaw, what's the use—it was lost.

The score by innings:
1 2 3 4 5 6 7 8 9
Perrysburg — 2 3 0 1 0 0 2 2—10
Metamora — 1 1 0 6 1 0 0 2—13
Totals: Hits off Williams, 7 in 7 innings; off Reis, 4 in 2 innings; off Honner, 5 in 4 innings; off Miller, 5 in 5 innings. Two base hits Noble, Shafer, Page, Miller. Struck out by Williams, 2; Reis, 1; by Honner, 5; by Miller, 3. First base on balls off Williams, 4; off Miller, 2. Hits by pitched ball, by Williams, 2. Umpire Harper. Attendance paid, 360.

VISITOR'S DAY.

Visitor's Day was observed at the M. E. Sunday School on last Sunday and proved a grand success. There were present 215 and the collections amounted to \$6.15.

The M. E. Sunday School orchestra composed of Messrs. Grant Sarver, Earl Sarver, Harry LaFarree, and Albert Williams, and Misses Irene LaFarree, Ossie Phillips, and Blanche Whitmore furnished most excellent music and the songs by the Sunday School accompanied by this orchestra were as good as one will hear in only the very best Sunday Schools.

A pianist, a cornetist and a violinist from Toledo, and each the finest of his kind, dispensed music such as is rarely heard in Perrysburg.

Much credit is due the S. perintendent, Mr. Grant Sarver, for this great undertaking.

An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by all dealers.

ELKS' FESTIVAL

To Begin August 14. Record Attendance Expected.

Barely ten days remain until the opening of the big Elks Festival which is to be held in Bowling Green from the 14th to the 19th of August, commencing a week from next Monday. The canvas of this county and its neighbors has been so thorough that mammoth crowds are expected for the opening night and for every session thereafter. The committee which has the program in charge has been working practically night and day on the matter and have the entire program of a musical and literary nature to a point where it will be published in its entirety very shortly.

Every promise which the Elks Club Co. made at the outset as to the character and diversity of the programs, the attractions and the bargains which they would have for their patrons is being carried out to a degree far beyond their expectations. The firm system on which they started out to do things has resulted in perfecting their organization to a degree that with an unparalleled amount of industry such as they have shown, the success of the Festival is assured.

In talking of the bigness of the Festival, its purpose must not be lost sight of. The revenues which are to be derived from the stupendous campaign are not to be used for anything frivolous or unworthy but for the serious and eminently appealing project of establishing an Elks Home in Bowling Green.

It will give Wood county another fine building which will add to its prestige all over the country. Wherever there are Elks, it will be known that Wood county got together and in a night, gourd like, raised the funds for an Elks Temple that will be emblematic of the prosperity and the do-things way Wood county has.

Not only for the fun, the good time, the feast of good things to look upon, but for the fine purpose of the Elks in striving to build a Home, every one in Wood county should make it a point to be in attendance upon this Festival as often as possible from the 14th to the 19th of this month.
